Declaration for Students' Association Funding

This declaration and the principles contained herein are designed to ensure the disbursement of Students' Association funds for supplemental student activities only, and to ensure that the college is upholding its obligation to fund all academic activity. This declaration will also ensure that students are aware of their rights and obligations when participating in such an event.

Before signing your name, please carefully read the following principles.

- The event for which I am receiving funding from the Students' Association is purely voluntary and not a requirement of any course in the program.

- There are no academic grades associated with the event or any part of the event, including pass/fail, a grade of completion, a note of attendance, any granting of marks for fundraising, or any other manner of assigning academic credit for participation in the event.

- As a student, I am fully aware that I can withdraw my participation from this event at any time, without notice, and without academic penalty or reprisal.

By signing my name,

I hereby promise that the event for which we are receiving SA funding does not violate any of the principles listed above.
