

Algonquin Students' Association

CORPORATION

Clubs and Communities Funding Application

The Students' Association recognizes the rights of student members to form clubs and groups as a forum of expressing their views and meeting their academic, social, and cultural needs on campus. The Students' Association however, will not recognize any club or group whose activities, in the opinion of the Association promotes hatred, violence, and propaganda or are of a political nature designed to disparage a government, state, country, religion, individual or group of people.

Criteria Eligible For Funding:

Please note that a club must obtain official Students' Association club recognition status prior to applying for club funding.

1. Opportunities to form clubs to cultivate on campus activity throughout the year.

Criteria NOT Eligible for Funding:

1. Any course, activity or service to be provided by a professor, instructor or any other person(s) employed by Algonquin College will not be considered for funding.
2. Funding will not be provided for academic requirements.
3. Funding will not be provided for any athletic or recreational activities.
4. Funding will not be provided for food and beverages.
5. Funding will not be provided for membership to other associations or political parties.

Funding:

The Students' Association reserves the right to refuse any application and retains sole discretion to determine approved funding amounts in order to accommodate all request received and anticipated throughout the year.

- All applications must include detailed and official estimates of all expenses from the suppliers and/or companies involved.
- When approved, all cheques will be made strictly to companies, stores, or organizations and not to a student directly. The president or vice president of the club is responsible for picking up the cheques from the Students' Association and delivering it to their suppliers.

Please note that applicants cannot benefit financially from this funding.

An incomplete application form will not be processed

I have read and understood all of the above information
