STUDENT FORUMS

The Students' Association Board of Directors holds approximately two Student Forums per semester. One aspect of Student Forums is to gather the opinions, concerns and ideas from Class Representatives about their experiences at Algonquin College. The other aspect is to seek feedback from the Class Representatives regarding college policies, changes to the college environment, new fees, etc. The Board of Directors is dependent upon the invaluable feedback they receive from Class Representatives in order to make the best decisions for the student population and the future of Algonquin College.

PROGRAM COUNCILS

Program Councils are intended to provide a forum for Class Representatives, faculty and the academic manager of a specific program to discuss topics related to the program. The Class Representative is to bring forward any opinions, concerns and ideas from their classmates regarding their academic experience.
